Dear Circle Michigan Members:

I feel as if I have just closed a chapter in my life and am now opening a new one...hope this chapter is long and exciting. I am eager to continue my tourism career here at Circle Michigan.

Of course, I need to introduce myself to those of you that I haven't had the opportunity to meet yet (and yes, I will get out there to meet you).

I have been involved in the tourism field longer than I care to admit. I spent many years with AAA Travel. And even freelanced travel articles for Michigan Living Magazine. All the while, I hosted a travel show on Metro Detroit cable television. Soon after, I stepped up on the bus to guide, escort, and promote tours throughout the country.

Janet Kasic
Executive Director

My last venture at The Henry Ford as the Senior Sales Representative, I found to be very rewarding, but the idea of having a role in promoting our beautiful State of Michigan was more than I could resist. I look forward to sharing my enthusiasm and love of everything Michigan has to offer....*Pure Michigan*.

I want to take Circle Michigan and "Widen the Circle" to include not only new members, but more tour groups, students, educators, religious groups, and international tour companies coming to Michigan.

You'll notice my aggressive and proactive sales approach that is sure to give a boost to Michigan's economy. Having homes in Southeast and Central Michigan, and being a former twelve-year Upper Peninsula resident, will make me very comfortable traveling through the state to greet you!

I'd like you to also meet Circle Michigan's new office manager...and my lifesaver... Joyce Hawkins. She is new to the industry, but not new to the computer/office/bookkeeper/writer/organizer department. Look for her entertaining Cirletters in your email soon!

Joyce Hawkins
Office Manager

Best Wishes,

Janet Kasic, Executive Director
